“Quest for the Golden Spirit”

- Are you ready for the ultimate Venturer Scout challenge in SE Qld?
- Willing to not have fun whilst enjoying yourself?
- Are you able to meet the challenge to find the Golden Spirit?

Yes! Yes! and Yes!

What on earth is VenMX?

The question you should be asking is where is VenMX? VenMX is a navigation challenge like no other. Teams are dropped at an undisclosed location, given maps and instructions. The campsite will move each night. Teams test their skills and are marked on speed, cooking, and other special tasks along the way. Has your unit got what it takes to be crowned the winner VenMX of 2016?
